Visiting Uncle Ho and Miss Saigon

Feel like the pirates who once took shelter among the many magical rocks and caverns in the emerald-green waters of Halong Bay. The modern façades and rattling mopeds of colonial Saigon are a fascinating contrast to this unique landscape. In the merchant town of Hoi An, we stroll through the narrow streets lined with tailors and artisans. Still have some time left to explore? Then extend your stay to discover the fascinating Angkor Wat temple complex.
